2019 WIGTP Points

Official Results

Final scoring will use the best 75% of the events of the season for each tractor
The dropped events are greyed Out.
Example: 8.25 would be rounded down to 8 and 8.5 would be rounded up to 9
Tractors must attend at least ½ of the events to be included in the season's point's championship.

Tie breakers will be determined by the tractor with the most 1st places. If there is still a tie then the greatest number of 2nd places will be used and so on.
